## Getting ready for breakthroughs in 2026

Regardless of religion or creed, the month of December ushers in a season of joy and celebration, as the world - knowingly or unknowingly - acknowledges the birth of our Savior, Jesus Christ. This time of year is also special as it invites us to take stock of our lives: to reflect on the successes and failures, the highs and lows, the mountains and valleys of the year gone

by, and to bid them farewell as we look ahead with optimism toward the New Year. Prophetically, the Lord has promised a year of breakthroughs in 2026, and if we believe, we will see the glory of God.

There is so much to be thankful for- we owe our every breath to our Father in heaven. It is not by might nor by power, but by His grace that we are alive and well to see another year. I am especially proud of the P. R. Baby Foundation's work in 2025. The schools in Meghalaya continue to prosper, with Gasa English Medium School achieving a 100% pass rate, and 85% of students earning first class and distinction in the 10<sup>th</sup> grade. Because of this momentous achievement, the school received government approval to begin classes in the eleventh and twelfth grades. Five classrooms were moved from temporary structures into well-lit concrete buildings. In addition, the two Village Knowledge Centers continue to flourish, supporting the education of more than 80 students in the remote Garo Hills.

As we close 2025, we pause to acknowledge God's unwavering faithfulness and the remarkable progress made across our mission fields. **This year, we witnessed communities strengthened, families uplifted, and lives transformed through sustained outreach, leadership development, and compassionate service.**

Every milestone was made possible through your prayers, partnership, and commitment to advancing this vision. In moments of challenge, God opened new doors; in seasons of perseverance, He multiplied our impact.

**As we step into 2026, we do so with renewed purpose — to serve with excellence, lead with integrity, and bring hope to every community we touch.**

Thank you for standing with us. May the coming year be marked by God's favor, growth, and greater kingdom influence.

# Key Biblical Figures Noah to Abraham Lessons for Our Journey

The generations between Noah and Abraham reveal how faith, obedience, and divine purpose shaped human history. These figures form a vital link in God's redemptive plan—from the renewal of the earth after the flood to the divine call that birthed a covenant people.

## Dr. P J George

Former Director,  
Sam Higginbottom University  
of Agriculture, Technology  
and Sciences &  
**Chief Technology Officer,**  
Elevate A Million Private  
Limited, Kochi

### 1. Shem – The Line of Promise

Shem, Noah's son, became the forefather of the Semitic peoples (Genesis 10–11). His lineage bridges the post-flood world to Abraham, preserving a line of faith and preparing the way for God's covenant.

### 2. Ham – The Father of Nations

Ham's descendants shaped nations like Egypt and Canaan (Genesis 9:20–27). His story reminds us how one generation's choices can influence the destiny of nations and history itself.

### 3. Cush – The Strength of Distant Lands

Cush, Ham's son, is linked with the flourishing civilizations of Africa, especially Ethiopia (Genesis 10:6). His legacy reflects God's creative diversity and presence among all peoples.

### 4. Nimrod – The Ambitious Builder

Ham's grandson Nimrod became a mighty ruler and founder of Babel (Genesis 10:8–12). His ambition and pride illustrate humanity's pursuit of power apart from God.

### 5. Peleg – The Time of Division

During Peleg's lifetime, "the earth was divided" (Genesis 10:25). The scattering at Babel shows how God's purposes can emerge even through disruption and change.

### 6. Terah – The Transitional Leader

Terah, father of Abram, began the journey from Ur toward Canaan but settled in Haran (Genesis 11:26–32). His incomplete journey mirrors lives that begin in faith but stop short—yet God's plan still moves forward.

### 7. Abram (Abraham) – The Man of Faith

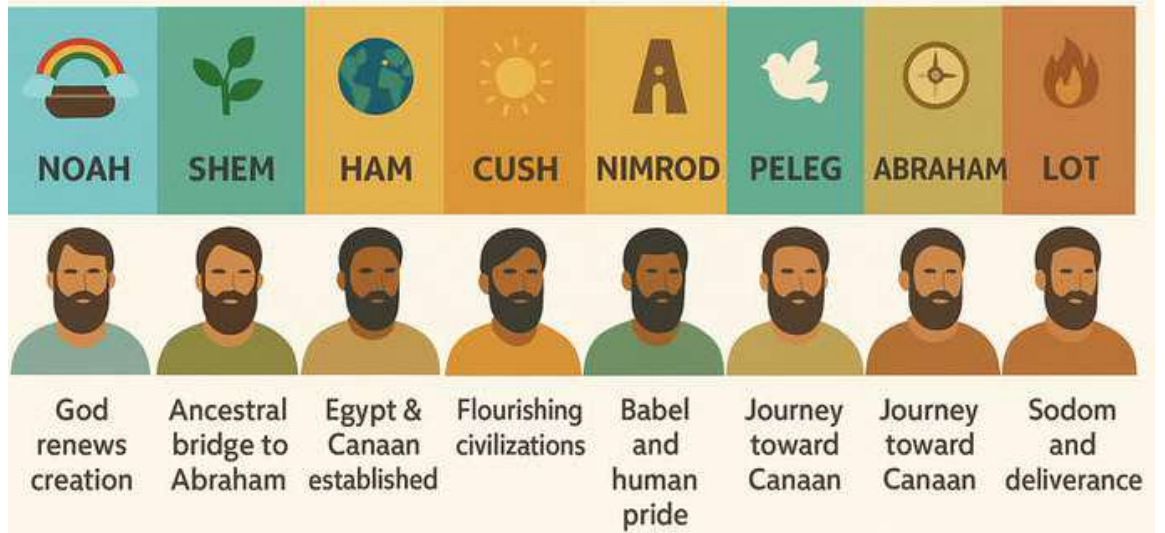

Called to leave his homeland, Abram trusted God's promise and became the father of nations (Genesis 12). His obedience models faith that steps out without seeing the full picture.

### 8. Lot – The Cautionary Companion

Lot, Abraham's nephew, followed him in faith but later settled in Sodom (Genesis 13–19). His story warns against compromise, yet also highlights God's mercy toward the repentant.

## From Flood to Faith

The Lineage that Led to God's Covenant With Abraham

### Reflection for Today

The stories between Noah and Abraham reveal more than ancient history—they illuminate our mission today. Each generation faced choices of faith, pride, obedience, and surrender. Just as Abraham's faith birthed a covenant people, we are called to carry forward God's mission with courage and trust.

In our work today—whether in community building, education, or ministry—we continue the same story: God's call to walk by faith, bless nations, and uphold righteousness in a divided world. May we, like Abraham, answer that call with obedience and hope, trusting that every act of faith contributes to God's unfolding plan for humanity.

Timeline of Key Figures  
(Post-Flood to Abraham)

Sl.No	Figure	Biblical Reference	Approx. Years After Flood	Key Event / Contribution
1	Noah	Genesis 9	0 years	Covenant with God after the Flood
2	Shem	Genesis 10:21-31; 11:10-26	100 years	Line leading to Abraham begins
3	Ham	Genesis 9:20-27	100 years	Ancestor of Egypt and Canaan
4	Cush	Genesis 10:6-8	150 years	Father of Nimrod; linked to African regions
5	Nimrod	Genesis 10:8-12	200-250 years	Founder of Babel, Nineveh
6	Peleg	Genesis 10:25	250-300 years	Division of languages and nations
7	Terah	Genesis 11:26-32	350 years	Begins migration toward Canaan
8	Abram	Genesis 12	400 years	Covenant with God; father of nations
9	Lot	Genesis 11:27-19:38	400 years	Travels with Abram; rescued from Sodom

# Arukash

## To Restore & Revive Annual Northeast Leadership Training

Arukash, rooted in Hebrew biblical understanding, carries a powerful meaning: to restore and to revive. It reflects God's promise to bring healing where there is brokenness and renewed life where faith has grown weary. Restoration speaks of God rebuilding what has been damaged - lives, relationships, and purpose - according to His original design. Revival points to a fresh awakening of the heart, where spiritual vitality replaces dryness and hope is renewed by the Spirit of God.

Arukash is both a message and a moment. It is a prophetic call for God's people to realign with His will, be renewed inwardly, and prepare as new wineskins for what He desires to pour out. In this season, Arukash reminds leaders, churches, and communities that true transformation comes not by human strength, but through humble surrender to God's restoring and reviving work.

**The 3rd Arukash Annual Leadership Training for leaders of Northeast India will be held from 25–27 January 2026 at the Campus Crusade for Christ Campus, New Rangia, Bairatisal, Siliguri (734 013), Darjeeling District.**

**We warmly invite you to attend this time of restoration and renewal and be blessed.**

# Is Your Wineskin Ready? Cont... Page:01

## Getting ready for breakthroughs in 2026

I want to especially thank the ten Garo missionaries who continue to work tirelessly.

With a vision for the prosperity of the seven states of Northeast India, we expanded our work into Nagaland this year. Our God given vision to elevate one million people in India through job creation continues to make tangible progress. The King's Caravan, the "stage on wheels," completed over 300 anti-drug campaigns across more than ten states. I thank God for every individual who sacrificially dedicated their time and energy to make these efforts possible – our Lord is not indebted to anyone. Above all, I thank God for His provision and providence in 2025, as I look forward with great excitement to the breakthroughs He has promised in 2026.

Fasting was a primary tool Jesus used to prepare for the next levels of His ministry. Despite its importance, however, fasting is mentioned only four times in the Gospels. Jesus began His ministry with fasting (Matthew 4:2), immediately following His baptism. At that moment, heaven opened, the Father spoke, and Jesus was anointed for ministry - prior to His first fast.

Interestingly, we see the same pattern in the next mention of fasting (Mark 9:29), when Jesus replied, "This kind can come out only by prayer and fasting." This statement followed the Transfiguration, where once again heaven opened, the Father spoke, and Jesus was anointed for the next stage of His ministry - the journey towards crucifixion. To fully understand Jesus' views on preparation for the next level, we must examine the third instance in which fasting is mentioned in the Gospels.

In Matthew 9:14–17, we see John's disciples questioning Jesus and His disciples about why they were not fasting. It is reasonable to assume that John's disciples were fasting day and night for deliverance while John was in prison - a practice Jesus did not dispute. In fact, Jesus agreed with them, acknowledging that a time would come when His own disciples would fast for the same reasons. However, within this discourse, Jesus introduced an additional and profound reason for fasting: preparation to receive new wine. In those days, fasting was commonly practiced for sustenance and maintenance - that is, to preserve the old wineskin. Jesus, however, emphasized that fasting and preparation are needed not only to maintain the old wineskins but also to receive the new wine. The underlying truth is that our Heavenly Father, who knows what is best for us, will not pour new wine into unrenewed wineskins, for the new wine would burst the old, causing harm rather than blessing.

**God is promising new wine in 2026, but the question is whether our wineskin is ready to receive it. If not, this is the time to fast and pray in the presence of the Lord so that we may be prepared. Before every new level, there is always a challenge. The enemy challenged Jesus immediately after His anointing at his baptism, and he challenged both Jesus and His disciples after the transfiguration. The enemy senses a breakthrough even before it manifests. Therefore, let us enter 2026 fully prepared, with renewed wineskins, ready to receive the new wine that God plans to pour into our lives in the coming year—for one thing is certain: new wine needs new wineskins.**

# Kings Caravan. 2.0

## Spreading Hope and Resilience in Darjeeling

As part of its unwavering commitment to building healthier, safer communities, P R Baby Foundation continues to strengthen its flagship anti-drug initiative — Kings Caravan. This December, the Foundation launched an impactful series of awareness and transformation campaigns across the Darjeeling district of West Bengal, a region where many vulnerable youths face increasing exposure to substance abuse.

The Kings Caravan movement is designed not merely as an information drive, but as a holistic outreach model that combines awareness, prevention, counselling, and personal transformation. Carrying the message of hope, restoration, and new beginnings, the team traveled through towns and rural pockets of Darjeeling, touching lives with compassion and conviction.

### A Youth-Led Movement for Change

This month's campaign is led by a dedicated team of young volunteers under the inspiring leadership of Pr. Raj Eleazer. With passion for mission and deep concern for the next generation, the team has committed themselves to

standing in the gap — reaching out to at-risk individuals before addiction destroys their potential and their families.

Their youthful energy and heartfelt communication have helped connect effectively with students, local communities, and young adults, creating safe spaces for honest conversations about the dangers of drug use and the possibilities of a better future.

### Creative and Compassionate Outreach

Each meeting in the Kings Caravan campaign is thoughtfully crafted to engage the public and communicate the anti-drug message in compelling ways. The programs include:

- **Street Plays** depicting real-life scenarios of addiction, peer pressure, and redemption
- **Music Performances** that draw crowds and create an atmosphere of positivity and reflection
- **Distribution of Leaflets** providing factual information, helpline contacts, and preventive guidance
- **Powerful Testimonies** from individuals who have overcome addiction, inspiring others to seek help

- **On-the-Spot Counselling** for those struggling with substance dependency or emotional distress

These multifaceted activities ensure that the message reaches people of all ages and backgrounds, while offering practical support to those who need it most.

### Restoring Lives, Strengthening Communities

The December 2025 Kings Caravan initiative has already begun to create ripples of hope across Darjeeling. Many youths have stepped forward to ask questions, share their struggles, and seek guidance. Families have expressed gratitude for the Foundation's active role in addressing a growing social challenge that affects countless households.

By promoting awareness, offering counselling, and sharing testimonies of transformation, P R Baby Foundation continues to work toward its long-term vision of empowering communities to rise above addiction and embrace purposeful living.

As the year draws to a close, Kings Caravan stands as a reminder that change is possible — and that together, through compassion, persistence, and faith, we can build a drug-free generation.

# P R Baby Foundation

## Transforming India Through Holistic Community Development

Rooted in a God-given vision and strengthened by a deep burden for Northeast India, P R Baby Foundation continues its inspiring journey of service, compassion, and community transformation. What began as a humble step of obedience to the call given to the late **Pastor P. R. Baby** has now grown into a vibrant movement of hope -touching villages, empowering youth, fostering learning, and uplifting vulnerable communities.

The mantle of Pastor P.R. Baby's vision is entrusted to his elder son, Dr. Giby Raphael, and under his leadership, the foundation was incorporated with the Ministry of Corporate Affairs, Government. **In India on 9th October, 2023, and later under NITI Aayog, as an NGO for ensuring transparency and accountability in all its work.**

Today, the foundation continues to expand its footprint - especially among the **Garo tribes of Meghalaya**, while initiating fresh efforts in **Nagaland** and preparing pathways for wider engagement across Northeast India.

### A Year of Impact: 2025 in Review

As we look back on 2025, we see a year marked by perseverance, unity, and visible transformation. Through dedicated teamwork and God's grace, the foundation has strengthened existing initiatives and launched new pathways for holistic development.

### Key Initiatives Making a Difference

#### 1. Village Knowledge Centre (VKC)

##### *Empowering Villages, Enriching Lives*

VKC hubs serve as vibrant community spaces where villagers gather for meetings, skill building, training programmes, and collaborative discussions. These centres are becoming catalysts for collective growth and community ownership.

#### John Alex

Joint Director of  
Agriculture (Rtd) &  
Director, P R Baby  
Foundation. Kochi  
[www.prbabyfoundation.com](http://www.prbabyfoundation.com)

#### 2. Kings Caravan 2.0

##### *Driving Hope, Fighting Addiction, Inspiring Change*

Our mobile drug awareness stage - equipped with street plays, music, and testimonies - has now completed over **350 impactful sessions**. Kings Caravan continues to travel across villages, spreading awareness, restoring hope, and guiding youth away from substance abuse.

#### 3. Micro School Initiative

##### *Education at the Doorstep of Every Child*

Small, community-owned learning centres are ensuring that rural children receive **value-based, quality education** along with practical skills—bridging the gap for families who otherwise lack access to formal schooling.

#### 4. Y Triple E Worldwide

##### *Empower • Evangelise • Equip*

Through scientific seminars, campus engagements, and global Zoom sessions, Y Triple E is shaping young minds—helping

rural youth expand their worldview, grow in faith, and prepare for leadership roles.

#### 5. Growth Mindset Programme

##### *Inspiring Change, Building Community, Transforming Lives*

A series of structured trainings and capacity-building programmes equip community members, volunteers, and emerging leaders with skills necessary for sustainable development and personal transformation.

#### 6. Project Gilead

##### *Healing with Compassion and Dignity*

Healthcare campaigns and medical outreach programmes continue to bring essential health services to remote villages. Project Gilead is not just about treatment - it is about restoring dignity, offering hope, and transforming lives through compassionate care.

#### 7. Mission Update

##### *Monthly Newsletter*

Our monthly newsletter keeps partners informed, inspired, and connected to ongoing grassroots efforts.

#### 8. Gasa English Medium Higher Secondary School

##### *Lighting the Path of Education in East Garo Hills*

In Dilma Chaidin - where literacy is as low as **40%** - Gasa School is providing **affordable and value-based education** to underserved children, breaking barriers and building a brighter future for the next generation.

#### 9. Arukash Conference

##### *Reviving Leaders, Renewing Vision*

Arukash is our annual three - day gathering for Northeast community leaders and community workers, offering spiritual renewal, technical sessions, and ministry equipping. The conference is becoming a unifying force for leaders of the region.

### A Growing Impact – A Growing Vision

In just a short span, P R Baby Foundation has made measurable impact through its commitment, compassion, and collaborative spirit. The fruits of this labour are visible—not just in programmes but in transformed communities and restored lives.

**Let us continue this God-given mission... until transformation becomes a testimony across Northeast India.**

## A Tent-Making Enterprise for Community Impact

### Purpose & Vision

Elevate A Million Pvt. Ltd. (EAMPL) is an Agri-tech and food systems enterprise created as a tent-making arm of P R Baby Foundation. Since the Foundation does not receive external funding, EAMPL was established to generate sustainable profits that directly support community development programmes across education, health, anti-drug awareness, and livelihoods.

Guided by the principle of late Pastor P. R. Baby - It is not "your money and my ministry; it is our money and our ministry" - the company blends ethical business with mission-driven impact.

EAMPL's vision is a future-ready agricultural ecosystem where farmers prosper, consumers access clean and traceable food, and markets operate transparently and fairly.

### What EAMPL Does

**EAMPL strengthens both backward and forward linkages in agriculture:**

#### Backward Linkages

- Scientific agronomy & precision farming
- Soil health and climate-resilient agriculture
- Agroforestry and resource optimization
- FPO formation, incubation & training
- Farmer field schools and ToT programmes

These interventions help farmers shift from subsistence to profitable, market-ready farming.

#### Forward Linkages

- Market intelligence and value-chain development

- Branding and premium positioning
- Contract farming models that protect farmers
- Direct linkages to retailers, processors & exporters
- Traceable, chemical-free sourcing systems

### Social Impact Through Business

EAMPL's business model is inseparable from its mission. The company promotes:

- Higher incomes for farmers
- Safe, nutritious, chemical-free food for consumers
- Ethical and transparent market systems

Harvesting of basmati in progress in Amoni Farm, Bhopal (A project of EAMPL)

EAMPL builds a transparent "farm-to-fork" chain using digital farm diaries and QR-coded traceability, giving consumers full visibility into the food they purchase.

All profits are reinvested to strengthen the Foundation's community programmes, making EAMPL a sustainable engine for social transformation.

## "20,000-Acre Flower Farming Project Set to Transform Farmer Incomes in Madhya Pradesh"

Elevate A Million Pvt. Ltd., in partnership with Manav Vikas Seva Sangh (MVSS), Sagar, Madhya Pradesh, and AVT Natural Pvt. Ltd., Kochi, is launching one of the region's most ambitious rural livelihood initiatives - a 20,000-acre contract farming programme for large-scale flower cultivation

Under this collaboration, AVT Natural Pvt. Ltd. will buy back the entire produce directly from farmers, ensuring assured markets, stable pricing, and long-term economic security. The initiative is expected to generate significant livelihood opportunities and strengthen rural incomes across multiple districts.

A joint field visit with all stakeholders - EAMPL, MVSS, AVT Natural, and farmer representatives - has already been completed, confirming both feasibility and farmer readiness. The project is scheduled to begin in the third month of 2026, marking the start of a high-impact agricultural transformation.
